

# Recipe

**Ingredients:**  
 3/4 cup butter  
 1 1/2 cups packed brown sugar  
 2 tablespoons water  
 2 cups semisweet chocolate chips  
 2 eggs  
 2 1/2 cups all-purpose flour  
 1 1/4 teaspoons baking soda  
 1/2 teaspoon salt  
 36 mint chocolates

**Directions:**

1. Preheat the oven to 350 degrees
2. In a large pan over low heat, cook the butter, sugar and water until the butter is melted. Add the chocolate chips and stir the mixture until the chips are partially melted. Remove from stove and continue to stir until chocolate is completely melted. Pour the mixture into a large bowl and let stand 10 minutes.
3. Beat the eggs on high into the chocolate mixture one at a time. Lower the speed of the beater and add dry ingredients, beating until blended. Place dough in refrigerator for about an hour.
4. Roll dough into balls and place on ungreased cookie sheet 2 inches apart. Bake 8-10 minutes. While cookies are baking, unwrap the mints and break them in half. While the cookies are out of the oven but still hot, put 1/2 mint on top of each cookie. Let the mints sit for a few minutes, and then swirl them around with a butter knife or toothpick.

## Mint Chocolate COOKIES

## Simons BROWNIES

**Ingredients**

**Crust:**

6 tablespoons unsalted butter, melted  
 1 1/2 cups crushed graham cracker crumbs  
 2 tablespoons sugar  
 Pinch fine salt

**Topping:**

4 cups large marshmallows

**Brownie:**

8 tablespoons unsalted butter

4 ounces unsweetened chocolate, chopped  
 1 cup packed light brown sugar  
 3/4 cup white sugar  
 1 1/2 teaspoons pure vanilla extract  
 1/2 teaspoon fine salt  
 4 large cold eggs  
 1 cup all-purpose flour

Position a rack in the lower third of the oven and heat oven to 325 degrees Fahrenheit. Line an 8x8 square baking pan with foil. Make sure the foil hangs over the edges by about one inch. For the crust: Lightly butter the foil with some of the melted butter. Stir the rest of the butter with the crumbs, sugar, and salt in a medium bowl. Press the crumb mixture evenly over the bottom of the pan. Bake until golden brown, about 20 minutes. Meanwhile, make the brownie. Melt butter and chocolate in a microwave-safe bowl on 75% power for 2 minutes. Stir, and microwave again until completely melted, about 2 minutes more. Stir the sugars, vanilla, and salt into the melted chocolate mixture. Add the eggs and beat vigorously to make a thick and glossy batter. Add flour and stir until just combined. Pour batter into the prepared pan. Bake until the top is crispy and a toothpick inserted into the middle comes out clean, 40-45 min. Remove from the oven and carefully position a rack about 6 in. from the broiler and preheat on low. Layer marshmallows across the top and toast under the broiler until golden, about 2 minutes. Cool on a rack, then gently remove the brownies from the pan using the aluminum flaps. Cut into 12 (2 in.) squares.
